Breakout Session

Commercial Building Automation

Learn about commercial building automation systems, and interact with panelists to troubleshoot existing challenges.
Philip Agee (Viridiant), Cindy Zork (USGBC), George Holcombe (Capital One)
Amanda Jenkins (Johnson Controls)
Moderator: Kristel Riddervold

Residential Utility Programs

Listen to a debrief of the 2018 utility programs bill and interact with panelists to brainstorm and rank next steps.
Chelsea Harnish (VAEEC), Zack Bacon (Appalachian Power Company) and Michael Hubbard (Dominion Energy)

12:40-1:25

Lunch and Keynote Speaker
Matthew Strickler, Secretary of Natural Resources (tentative)

1:25-2:25

Interactive Session

Energy Efficiency Priorities for 2018

Let's all join together to discuss what needs to be accomplished for 2018. After breaking into groups based on topics, everyone will come back together to roll out their group's top priorities and strategies.
Moderator: David Steiner (D+R International)

2:25-2:30

Closing Remarks
