## Our Latest Educational Video!

Energy efficiency is often hidden, but thanks to VAECC this "quiet work horse in Virginia's economy" is seen as a powerful policy tool for job, economic growth and carbon reductions. See how EE is making a big difference in the Commonwealth and how you can get involved with VAECC. Be sure to share this video on your social media outlets to show your friends, family, and colleagues the many benefits of VAECC!

# Upcoming Events

## C-PACE Financing Information Event Alexandria

**May 30 @ 8:30 am - 10:45 am**  
The Mount Vernon Group of the Sierra Club and the Virginia Energy Efficiency Council are hosting a *free* Commercial Property Assessed Clean Energy (C-PACE) breakfast information session for businesses and government officials in the City of Alexandria and surrounding areas. We encourage anyone interested in learning more about C-PACE to attend this event.

## WEBINAR: Building Envelope Improvements in Large Buildings

June 26, 2018 (**Members Only**)  
Join us for this webinar to explore thermal envelope commissioning and approaches for energy retrofits to building shells.

### Speakers:

Philip Agee, Technical Director, Viridiant  
Gary Hagan, Principal, CMTA Inc.

## Building Code Updates

As mentioned at our Spring Meeting, the final Uniform Statewide Building Code (USBC) was published in the Virginia Register on April 30th.

There is currently a 30-day public comment period open for any citizen who has concerns regarding these regulations.
