

Sponsorship Opportunities

Biannual Forums: Sponsors help us continue offering our premier biannual forum, which provide participants with a signature lineup of presentations on timely topics, interactive sessions, and ample networking time. Additionally, as a sponsor of the Fall Forum & Awards Luncheon, you will help us recognize the Commonwealth's energy efficiency leaders across many sectors.

Sponsors receive industry exposure and at least one complimentary ticket to the event to create opportunities to network with Virginia's leading energy efficiency professionals.

2019 **Sponsorship Opportunities**

Webinars: The VAEEC kicked off a webinar series in 2016 in response to member requests for more training opportunities. Annually, we offer five+ webinars for our members and others interested in Virginia's energy efficiency industry. Sponsors allow us to continue offering a signature lineup of educational webinars on the latest updates and topics of interest. All webinars are an hour long and begin at noon EST. Upcoming topics can be viewed at vaeec.org/events/webinars/.

Sponsors receive exposure through digital marketing and strategic logo display.
