Johnson Controls has over 2,000 worldwide locations and has served Virginia for over 50 years through HVAC, fire protection, and security solutions and services. Customers across Virginia have taken advantage of energy savings through the unmatched efficiency of Johnson Controls HVAC equipment and Building Automation System among other services.

Johnson Controls also offers building Energy Performance Contracts through which facility and infrastructure retrofit costs are offset by utility and operational savings. Read More
Remember the hard hats from March? As of **Wednesday, July 24th** VAEEC has officially moved into our new office in Gather's new downtown location!

**Please make sure to update your records with our new address:**
313 E. Broad Street, Suite 221
Richmond, VA 23219

We're so excited to be a part of this beautiful new space. For a sneak peek, check out Gather on [Facebook](#) and [Instagram](#).

Want to join us? Email [info@vaeec.org](mailto:info@vaeec.org). We'll connect you with the Community Managers, and we may even get a bonus!

---

Summer is here and with it comes the opening of the [Virginia Energy Efficiency Leadership (VEEL) Awards](#) application. Held in conjunction with our [Fall Forum](#), winners will be recognized during the Awards Luncheon on Thursday, November 14th in Richmond.

Our fourth annual awards will showcase energy efficiency champions across the Commonwealth. These entities are helping businesses, governments, homeowners, and schools save money on energy bills while reducing energy consumption - all while stimulating Virginia’s job growth and our economy.
The quick and free online application process is now open. Nominate an acquaintance, a colleague, a role model, or yourself!

Apply Today!

Updates and Upcoming Events
