

# Happy Holidays

Wishing you a safe, happy, and efficient holiday season from all of us at VAEEC

## Don't Miss our Upcoming Webinars!

Join the VAEEC for Our

### DECEMBER WEBINAR:

**The Evolution of C-PACE in the Mid-Atlantic**  
discussing past progress and future advances

Our **free** webinar on the Evolution of C-PACE is **tomorrow** at **12:00**, so make sure to register! Commercial Property Assessed Clean Energy, or C-PACE, has made significant headway in the Mid-Atlantic region over the past three years. New legislation has been passed to expand approved projects, localities are putting programs into place, and projects have been completed - from small retrofits to new buildings. We will explore these advances with an emphasis on Virginia, and our speakers will provide insight into the progress we can expect in the upcoming year.

This webinar is open to the public, but **registration is required** to attend. Thank you to **MAPA** for being a sponsor.

Assembly Preview**

# Thank You

from

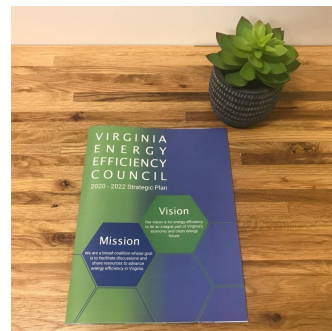

Even though Giving Tuesday has passed, we hope that you will continue the celebration of charitable giving and consider a donation to the Virginia Energy Efficiency Council today. 2019 has been an exciting year for the industry and for VAEEC, and none of the strides we have made would be possible without the ongoing support of our members. Your individual donation will help us grow into an even stronger industry voice and ensure that the Commonwealth remains on this promising path. And as a 501c3, your donation is 100% tax deductible.

## Membership Has its Benefits!

From our founding in 2012, we have worked to bring together voices from every corner of the energy efficiency sector to advance policies and programs that help our industry grow. As a VAEEC member, you get:

- **Free or reduced registrations to our premiere events attended by over 100 industry professionals**
- **Access to member-only resources such as our directory and legislative updates**
- **Training and education opportunities with our webinar series**
- **Networking opportunities with potential new clients and industry leaders**

Now is the perfect time to join, as our **membership rates go up January 1st!** Become part of our powerful coalition of innovators and leaders. Everything we do comes back to our members, as together, we work towards an exciting and efficient future.

## Now Hiring! Join One of our Amazing Members

# VA-REA

THE VIRGINIA RENEWABLE ENERGY ALLIANCE

The City of Alexandria (Virginia) is hiring for the **Energy Management Analyst** position to serve in the City of Alexandria's Office of Energy Management. They are seeking a bright, creative, curious, entrepreneurial, agile, and multi-talented person who is passionate about advancing the City's climate change action, energy performance, resiliency, and sustainability efforts. The **Energy Management Analyst** will work with diverse, multi-disciplinary teams to meet the aggressive climate action, energy reduction, and green building goals as outlined in the City's Environmental Action Plan 2040.

[Learn More](#)

The Virginia Renewable Energy Alliance (VA-REA) is searching for an **Executive Director** to support its policies and objectives. The ideal candidate will use a strategic mindset, understanding of the Virginia renewable energy industry, and interpersonal skills to drive the future success of the non-profit organization. With responsibility for all program areas, and with very limited staff and financial resources, this candidate will execute and manage all areas of need for the organization including: fiscal, operational, program development, community relations, and board relations.
