Virtual Trade Show

For the first time, we're planning to hold a virtual trade show during the Fall 2020 Virtual Forum. Member organizations will have a chance to share information about their work, projects, and more in a unique, digital format. Details are still coming together, so stay tuned as we continue to plan.

Big News from Around the Industry

SCC Approves All Dominion DSM Programs for Second Year

Earlier this month, the State Corporation Commission approved all of Dominion Energy's proposed energy efficiency programs in its phase VIII filing, which marks a continued, positive shift in energy efficiency policy in Virginia. This is the second year in a row that all of the utility's proposed Demand Side Management programs were approved for a full five years, at the budget requested.

As respondents in the proceeding, the Commission supported three of the VAEEC's recommendations in their ruling, which will result in further energy savings from these and future programs.

VAEEC Board Member Mark Jackson Appointed to Board of Housing and Community Development

We are excited to announce that VAEEC Board Secretary Mark Jackson was appointed by Governor Ralph Northam to the Board of Housing and Community Development.

The board oversees housing and community development projects throughout the Commonwealth, in addition to the building code update process. Eleven of the Board's 14 members are appointed by the Governor from each of Virginia's congressional districts. Governor Northam recently announced Mark's appointment for a four-year term along with four others. Congratulations Mark!
