Stakeholder Meeting Updates

Dominion's Energy Efficiency Stakeholder Group met virtually on August 27th. Despite the online format, the meeting was very productive. The company has brought in the Cadmus Group to assist with long-term planning, which is essential to meeting their mandated spending and energy savings goals. Learn more in our recent blog post.

Virginia recently enacted the Virginia Clean Economy Act, transformative legislation that paves the way for Virginia to reach a goal of zero carbon emissions by 2045.

Hear from VAEEC Member **Chris Rawlings** and our own Executive Director **Chelsea Harnish** in a recent episode of the Energy Sense Podcast. They discuss what she learned in advocating for the legislation, how it will help transform the energy efficiency industry — and what comes next. Chris and Chelsea also discuss the intersection of health and energy efficiency.

SECOND ANNUAL

VIRGINIA CLEAN ENERGY SUMMIT

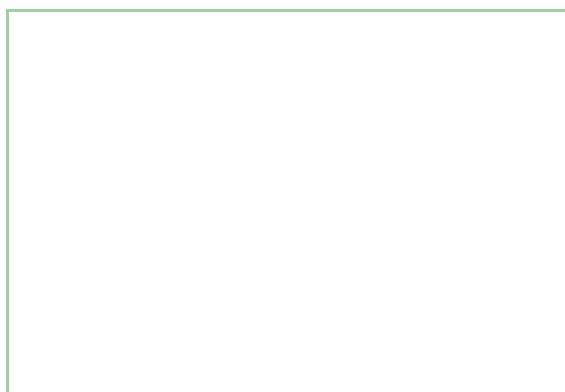

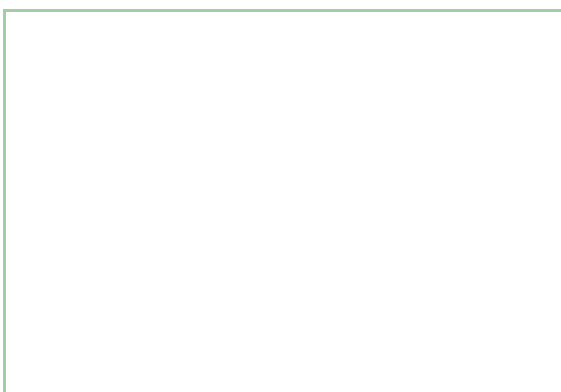

October
20-21, 2020

Virtual Convention
&
Industry Networking

The Second Annual Virginia Clean Energy Summit will present the clean energy technologies, policies, and business practices that are transforming Virginia's energy landscape today. We're excited to announce that **Governor Northam** will be the keynote speaker for the second year in a row!

This two-day event will highlight opportunities and encourage collaboration that speeds our use of more energy efficiency, solar, wind, storage, EVs, and other clean energy solutions. Conference attendees will include representatives from businesses, state and local governments, academia, and NGOs.

Visit the [event website](#) for up-to-date information on the agenda, sponsorship and exhibitor information, and more! Interested in sponsoring the event? Email to Jessica Greene (jessica@vaeec.org) for information.

Fall 2020 Virtual Forum Sponsorship

It may be a while before we meet in person, but VAEEC is committed to making our virtual events the best they can be. And behind every great event are our equally great **sponsors!** Sponsors receive exposure before, during, and after the event, in addition to ample opportunities to network with Virginia's leading energy efficiency professionals.

October is Energy Awareness Month

Energy Awareness Month is right around the corner, and VAEEC is ready to celebrate this year. We have several exciting ideas in the works, including:

- **Energy Use Bingo!** Play along to save energy throughout the month to enter our Grand Prize Raffle. The winner will be announced at the Virtual Fall 2020 Forum. Check out the rules, sample game cards, and more on our [website](#), and make sure to follow us on social media for winners and updates.
- **New Videos!** We're rolling out a new video series spotlighting energy efficiency across Virginia.
- **Upcoming Articles.** VAEEC Members are working hard to use energy efficiency to combat the spread of COVID-19. Learn about the technologies, programs, and innovations that help keep our communities safe. Look for the first in this three part series in early October. Do you have a project or program you'd like included in the series? Email Rebecca Hui at rebecca@vaeec.org.
