

# 2021 SPONSORSHIP OPPORTUNITIES

**Biannual Forums:** Sponsors help us continue offering our premier forums, which provide a signature lineup of presentations on timely topics, interactive sessions, and ample networking time. As a sponsor of the Fall Forum & Awards Luncheon, you will help us recognize the Commonwealth's energy efficiency leaders across many sectors.

Sponsors receive industry exposure and at least one complimentary ticket to the event to create opportunities to network with Virginia's leading energy efficiency professionals.
