COMMUNITY
HOUSING PARTNERS

April Featured Member

Founded in 1975, **Community Housing Partners (CHP)** is a nonprofit that builds, manages, and upgrades quality, service-enriched, energy efficient homes for individuals and families across the Southeast and Mid-Atlantic. Building on a long-standing tradition of environmental, economic, and social responsibility, CHP works together with public and private partners to revitalize communities, foster stability for residents, and promote a healthier planet for future generations.

CHP Energy Solutions Newsletter

Community Housing Partners Energy Solutions is growing with more projects, new programs and expanding staff. Their newsletter is debuting soon to keep community and local government partners, energy professionals and home owners and renters. To subscribe, sign up [here](#).

News and Events

2021 marks the 51st anniversary of Earth Day. But for many VAEEC members, every day is Earth Day! Energy efficiency is one of the easiest and most cost effective ways to reduce fossil fuel dependence and preserve natural resources. In honor of the holiday, we've compiled a list of tips and tricks to save energy and help the planet.
