JUNE WEBINAR: Benchmarking Best Practices

June 10th - Noon

Join us **tomorrow** for our next webinar, *Benchmarking Best Practices*. Targeted towards local government and state agency staff, the webinar will focus on how to set up and run a successful benchmarking program for commercial and public buildings. There will be ample time in the end for your questions. Registration is free but closes **today** and is required to attend.

Summer Lunch Listening Sessions

Workforce Development is a hot topic across every sector of the energy efficiency industry. Therefore, we want to hear from you! Join us **Wednesday, June 23rd** at noon for the first of our **Summer Lunch Listening Sessions**. Let us know: what do you see in your own workforce? What needs are not being met? How can things change for the better? Registration is free but required.

Now Hiring

Are YOU looking for a new career in energy efficiency? A number of VAEEC members are hiring now! Check out our [Member Jobs Board](#) to find new opportunities across Virginia. Want to see your listing included? Email info@vaeec.org.

Share Your Success

We want to hear from you! If you have **projects, awards, recognitions, media coverage, etc**, please let us know on our [Success Stories form](#).

In the News

Keep up with the latest VAEEC News on our [Press Room](#).

June Featured Member

Our June Member of the Month - **Clark Nexsen** - is an innovative design and consulting firm developing balanced solutions that achieve energy system efficiency, reliability, resilience, and sustainability. Leveraging their energy intelligence, they enable their clients to reduce energy consumption and operating costs, implement renewable power generation, and enhance system reliability to deliver financial, societal, and environmental benefits.

Job Highlight: SCC Director of Public Utility Regulation

The Virginia State Corporation Commission seeks a highly professional leader to serve as the Director of Public Utilities. This role could present a huge opportunity to change the culture at the SCC for years to come, so the VAEEC strongly encourages all

interested parties to apply as soon as possible. This listing will remain open until filled, but the Commission would prefer applicants submit their resumes by this Friday.

Join a Committee!

Our success depends on the support of our members. We encourage you to join one of our four, year round volunteer committees - **Education and Events**, **Membership, Policy and Programs**, and **Technology** - to directly engage with the VAEEC. Committees meet quarterly via Zoom and help guide our work. Please send an email to info@vaeec.org if interested.

News and Events

2021 Virtual PACENation Summit

Join the **2021 Virtual PACENation Summit** for three days of breakout

DMME Energy Performance Contracting Webinar

Energy Savings Performance Contracting (ESPC) offers states,

workshops, expert speakers and networking opportunities. The event will be held June 21-23. For speakers, agenda, and more info, please visit: <https://PACENation.org/summit>.

You can also register with this link for a 15% discount: <https://bit.ly/3v0m4Np>

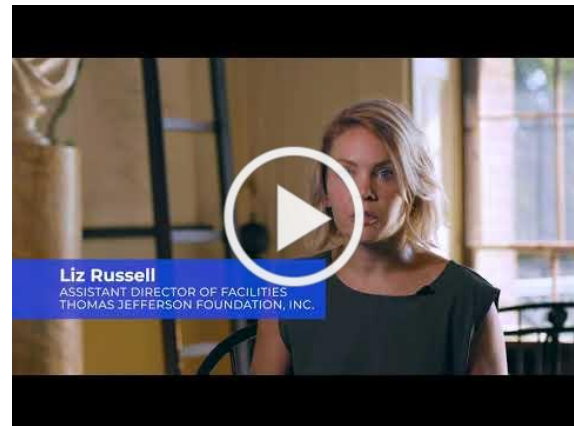

localities, public infrastructure, and institutional facilities an opportunity to finance energy efficiency investments by leveraging the energy, water and operational cost savings that projects achieve over time. Join VAEEC Member the VA State Energy Office on **June 16th at 2:00** to learn more about this financing mechanism. Click [here to register](#).

Happy Pride Month!

For decades, **Pride Month** has been celebrated in June across the United States. The celebration serves to both highlight the achievements of the LGBTQ communities and also spotlight many of the issues they still face. There are many LGBTQ pioneers of energy efficiency, working to combat climate change and improve lives. Learn more about some of these changemakers at the link from Rocky Mountain Institute below.
