

2023 SPONSORSHIP OPPORTUNITIES

Virginia Energy Efficiency Council Biannual Forums: Sponsors help us continue offering our premier forums, which provide a signature lineup of presentations on timely topics, interactive sessions, and ample networking time. As a sponsor of the Spring Forum, you will help us welcome our newest Board members and recognize the success of current members through our annual business meeting.

Sponsors receive industry exposure and at least one complimentary ticket to the event to create opportunities to network with Virginia's leading energy efficiency professionals.

Spring 2023 Forum

May 23rd, 1:00 - 4:00 pm

Optional Efficiency Tour, 10:00 am - 12:00 pm
