

2023 SPONSORSHIP OPPORTUNITIES

Biannual Forums: Sponsors help us continue offering our premier forums, which provide a signature lineup of presentations on timely topics, interactive sessions, and ample networking time. As a sponsor of the Energy Efficiency Forum, you will help us recognize the Commonwealth's energy efficiency leaders during our *Virginia Energy Efficiency Leadership Awards ceremony* and *Energizing Efficiency Campaign showcase*.

Sponsors receive industry exposure and at least one complimentary ticket to the event to create opportunities to network with Virginia's leading energy efficiency professionals.

2023 Energy Efficiency Forum

October 4th (virtual) & October 5th (Richmond)
